

Discover Ad Posting Regulations

A member may only post one ad per day (one 24 hour period) per month (30 calendar days). No more than one ad per day will be allowed for any member.

No posting of multiple ads of the same item, only one ad per item.

All ads must be for legitimate items, services, or businesses. Description should match the posted item(s). Description must be a minimum of 10 words and contain:

- Price (should be consistent with item)
- Preferred contact method (email, phone number, text etc.)

Photo is required for all products and service ads.

Ads also must not contain any content listed on Discover's Prohibited Content policy. [discover.adxsales.com/pdf/Discover_Terms_Of_Use_EN_022717.pdf]

Any member who posts an ad violating these regulations or contains content included on the Discover Prohibited items list will be contacted by Discover's Compliance department and given a warning. If the member continues to violate these regulations they will be suspended for up to 90 days. Continued violations will be subject to increased disciplinary action, up to and including termination.
